Subject: PJSTCA Letter about Proposed Construction of a Contractor's Office Bldg. at 57 Rte. 347, PJS, NY

The Port Jefferson Station Terryville Civic Assoc. Officers had a meeting at town hall on 6.14.21 and reviewed the new site, floor plans & elevation drawings of a proposed construction of a contractor's office at 57 Rte. 347, PJS. The project was presented to the PJSTCA executive board at their mtg on 6.15.21 and was discussed along with our 1.23.19 prior No Objections letter to the town. The civic assoc. executive board approved this letter to be sent to the owner and town via email. This Civic Association as a practice does not Reject or Accept proposals, but the PJSTCA has voted that it has No Objections to this proposal or zoning changes.

The Civic Association would appreciate being kept in the loop as the Brookhaven Town final approval is granted. We look forward again to working with your group in our Port Jefferson Station Terryville and support of our Hamlet.

Respectfully,

Sal Pitti, PJSTCA President (boyleroadcommunity@gmail.com)

Charles McAteer, PJSTCA Corr. Secy. (cfmcateer@gmail.com)
