Subject: PJSTCA Letter about Proposed Mariano Rivera Honda dealership Signage
on Rte. 112 & Jefferson Ave., PJS, NY

At the May 28th, 2019 membership meeting of the Port Jefferson Station Terryville Civic Assoc. the topic of an Automobile dealership was presented and discussed. The proposed construction would require Town Board and Planning approval in Port Jefferson Station on Route 112 by Jefferson Ave. The drawings were presented, discussed and voted on by members present. This civic association as a practice does not Reject or Accept proposals, but the PJSTCA has voted that it has No Objections to this proposal. The Civic Association discussed the Dealership Signage and that it would be within the Town's code for signs.

At the Nov. 16th, 2021 Civic mtg. the Variance for bigger signage was discussed and this Civic Assoc. continues to stand by it's approval of signage that meets but not exceeds the Brookhaven Town Codes. The Community is looking forward to working with your group in our Port Jefferson Station Terryville Hamlet with the original signage as proposed.

Respectfully,

Sal Pitti, PJSTCA President (boyleroadcommunity@gmail.com)

Charles McAteer, PJSTCA Corr. Secy. (cfmcateer@gmail.com)
