Subject: PJSTCA Letter about Proposed Construction of a Medical Office Bldg. & Starbucks on Rte. 347, PJS, NY

At the September membership meeting of the Port Jefferson Station Terryville Civic Assoc. this topic was presented, and color elevation drawings circulated to the members. The proposed construction of the building extensions on both east ( Medical offices) and west (Starbucks) Rte. 347 in Port Jefferson Station was discussed and voted on by members present. This civic association as a practice does not Reject or Accept proposals, but the PJSTCA has voted that it has No Objections to this proposal as presented at this meeting and at past meetings.

We would appreciate being kept in the loop as the final Architectural/Site drawings are developed and presented to the Brookhaven Town. We look forward to working with your firm and the owners as this proposal is further developed in our Port Jefferson Station Terryville Hamlet.

Respectfully,

Ed Garboski, President ([edpjtcivic@aol.com](mailto:edpjtcivic@aol.com))
